Tasting Notes

The color is crimson, but will develop some amber tints from its oak maturation and later bottle age. The aroma is varietal with a complex of berry ripeness with huge intensity reflecting the vintage conditions. Strong lifted aromas of variety and oak. The flavor is rich and fruity. A soft and rich middle palate along with oak tannin on the finish balance the fruit flavors.

Background

Heritage has always been important to Penley Estate; the name of this wine recognizes the historical connections to family – one of Australia's forefathers of winemaking – Penfold Hyland.
