

2005 d'ARENBERG CADENZIA GRENACHE SHIRAZ MOURVEDRE

WINEMAKER :	Chester Osborn
REGION :	McLaren Vale, South Australia
VARIETALS :	Grenache (48%), Shiraz (47%) & Mourvedre (5%)
MATURATION :	10 months in new and older American & French oak barriques
ALCOHOL :	14.5% alc/vol

BACKGROUND :

The inspiration behind this name came from the word 'Cadenza' which is an impassioned improvisation played by a virtuoso soloist toward the end of a musical performance. Cadenzia is made in celebration of the winemakers' opportunity, after vintage, to blend an exceptional McLaren Vale wine based on the Grenache variety.

WINEMAKING :

Parcels of Grenache, Shiraz and Mourvèdre are gently crushed and fermented in small batches in traditional headed-down open fermenters, followed by foot-treading. The skins are then gently pressed in traditional 19th century 'Coq' and 'Bromley & Tregoning' basket presses prior to maturation in French and American oak barriques for 10 months.

TASTING NOTES :

An amazing fragrance of blueberries, plums and cardamoms is apparent with kirsch and dark-spiced fruit notes. The full-bodied palate leads with cranberries, prunes, spice and anise, with dried herbs and licorice on a backdrop of fragrant lavender. The palate is beautifully layered and complex with fine integrated tannins and a slightly elevated level of acidity.

ABOUT d'ARENBERG

One of the undisputed kings of Australian Shiraz and Rhone varietals, d'Arenberg has managed to turn individuality into an art form by doing a whole lot of little things differently. The original vineyards were established by Joseph Osborn in 1912 in the McLaren Vale region of South Australia. A century on, the estate has grown to 345 acres, and the mantle now rests with fourth-generation winemaker Chester Osborn. By maintaining a focus on traditional winemaking and nurturing their old-vine material, the Osborn clan has successfully established themselves as one of the country's leading producers of concentrated, characterful wines. Ranked among Australia's Top 10 Shiraz producers by Wine & Spirits Magazine in July 2007, this reputation is clearly recognized worldwide.
