

2006 LEEUWIN ESTATE SIBLINGS SAUVIGNON BLANC SEMILLON

Review Summary

93 pts “Immaculately crafted and balanced wine, rightly unadorned by oak; crisp, clean lemon, herb and grass aromas and flavours reflecting the coolest vintage yet for Margaret River.”

James Halliday
2008 Wine Companion

89 pts “The 2006 Sauvignon Blanc (68%) – Semillon (32%) “Siblings” was tank fermented except for the use of some old oak with the Semillon. The wine offers pungent aromatics with some green notes, mineral, fresh herbs, and bright citrus fruit. Medium-bodied, ripe, and nicely balanced, there are excellent mature flavors and a long, pure, spicy finish. Dink it over the next 2-3 years.

89 pts “Intense citrus and jalapeno pepper on the nose, with a bright quinine accent; this is really pungent and all about sauvignon blanc today. Racy, sharply focused citrus and quince flavors possess impressive depth and breadth, with a sappy quality to the finish. Pretty serious stuff, and in need of some fresh shellfish.”

Stephen Tanzer’s International Wine Cellar
July/August 2007, Issue 133

“This was an extraordinarily tasty and pretty blend, two-thirds of which was sauvignon blanc. The apples and other fruit meshed perfectly with the fresh grass flavors, along with notes of herbs and lemon-lime.”
