

2007 KILIKANNOON M RESERVE SHIRAZ

Review Summary

91 pts “Purple-colored, it presents an expressive nose of Asian spices, incense, bacon, game, and blueberry. Better balanced than the Oracle bottling, it has layered succulent fruit, excellent grip and depth, and a lengthy, fruit-filled finish. Give it 2-3 years of additional cellaring and drink it from 2012 to 2022.”
