

2007 KILIKANON THE MEDLEY GRENACHE SHIRAZ MOURVEDRE

Review Summary

Best of Nation - GOLD MEDAL

2010 San Francisco Wine Competition

91 pts “Lightweight and airy, this Semillon has exceptional length of flavor. The overall impression is clean and cool, with spicy peaks of curry and apple. The flavors should continue to develop in bottle, though this is already pleasing to drink with crudo, such as fluke or sea bass.”

“Deep, fragrant complex fruitcake and rhubarb (very grenache), with toastiness and wheaten biscuit. Attacks with super-slick, silky dark fruit, then gets toffee-ish while the tannins close in and pull things along. There’s panforte fruit at the back and warm alcohol characters melded in. Super sexy, deep, rich red with a long, deep palate.”
