

2009 d'ARENBERG THE DRY DAM Review Summary

Two Thumbs Way Up “Engaging floral aromas with ample scents of citrus, green pear and touch of mint. Refreshing with pinpoint acidity, this wine had tons of citrus fruit (especially lime), lime zest, green apple and pear with great minerality...it may have been the best damn Aussie Riesling I’ve ever had. The Dry Dam had just the right amount of acidity with revitalizing flavors of lime and a light mint quality. It also had bright orange and lemon citrus notes with ambrosia-like floral aromas.”
