

2009 PENLEY ESTATE GRYPHON MERLOT

WINEMAKER:	Kym Tolley
REGION:	Coonawarra, South Australia
VARIETALS:	Merlot
MATURATION:	Aged in 33% new French oak barriques for 16 months
ANALYSIS:	14.5% alc/vol 6.2 g/L TA 3.42 pH

VINTAGE NOTES:

Following the average winter rainfall in 2008, the conditions during spring were dry with minimal frost and no disease pressures allowing for excellent vine canopy development, which shielded most varieties from major damage during a January heatwave. Harvest started later than normal, allowing for longer hang time and flavor development.

WINEMAKING:

The Gryphon fruit was partially barrel fermented using a mix of French oak producers and forests, ensuring complexity while maintaining Penley's hallmark oak integration. Fermentation persisted for approximately 7-10 days at temperatures of 15-18 degrees C, while traditional "heading down" tanks (open fermenters with submerged caps) were used to help maximise colour, flavour and tannin extraction.

TASTING NOTES:

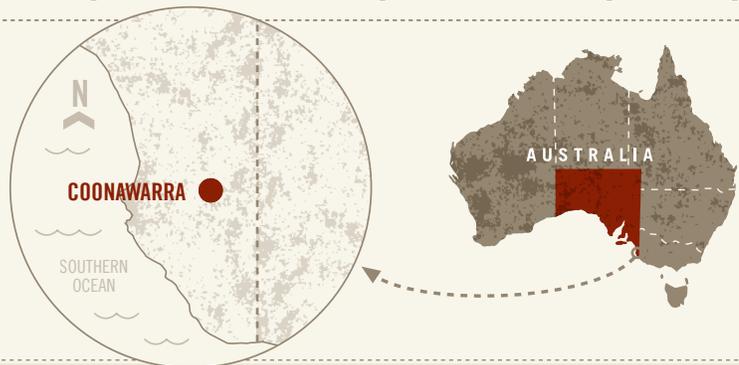

The 2009 Gryphon Merlot is deep cherry red in color. The bouquet is rich and complex with hints of violets, Bing cherries and a touch of spice from restrained use of French oak. Medium bodied with a dense mid palate of rich red berry and juicy plums, the texture is generous with integrated smoky oak and a polished finish.
