Review Summary

93 pts "Quartz-white; has intense and juicy flavors ranging from green lemon through to lychee, before citrus returns on the finish and aftertaste; an SBS with distinct attitude."

89 pts "Pale yellow. Perfumed aromas of orange zest, white flowers, anise and dusty herbs. The palate shows dry citrus and orchard fruit flavors, lifted by a bracing, stony quality on the back half. This silky, dry blend finishes with lingering spiciness and a hint of white pepper."

87 pts "Blended of 69% Sauvignon Blanc and 31% Semillon and with 31% of the juice having been barrel fermented, the 2010 Siblings Sauvignon Blanc Semillon gives intense aromas of warm grapefruit, gooseberries and asparagus tips with an undercurrent of freshly chopped herbs. Medium bodied, crisp and with a good amount of silkiness to the texture, it has a long grapefruit and sage laced finish."
