

2010 d'ARENBERG THE IRONSTONE PRESSINGS

WINEMAKER :	Chester Osborn
REGION :	McLaren Vale, South Australia
VARIETALS :	Grenache (70%), Shiraz (25%), Mourvedre (5%)
MATURATION :	10 months in new & older French & American oak barriques
ANALYSIS :	13.9% alc/vol 6.4 g/l TA 3.49 pH

THE ART OF BEING DIFFERENT :

Most of McLaren Vale's acclaimed, historic vineyards are riddled with ancient, decomposed ironstone. Its extraordinary rusty red-brown color is derived from the iron oxides present in the stone. The larger pieces were cleared from the vineyards in the late 1880's and utilized in many of the buildings at d'Arenberg, most notably the old stables.

WINEMAKING :

Small batches of grapes are crushed gently and then transferred to five ton headed down open fermenters. These batches remain separate until final blending. Foot treading is undertaken two thirds of the way through fermentation. The wine is then basket pressed and transferred to a mixture of new and used French oak barriques to complete fermentation. The barrel ferments are aged on lees, and there is no racking until final blending. The Ironstone Pressings does not undertake fining or filtration prior to bottling.

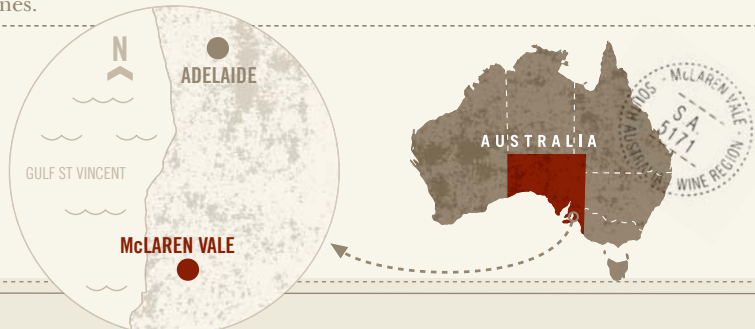

TASTING NOTES :

Aromas of plums, mulberries, and peaty like notes are all apparent, with an underlying lick of exotic Indian spice. Fresh fruits on the palate marry well with the more complex characters of quince paste and Indian spices. Driving the core of the wine is that vintage trademark of graphite and wet stone. While appearing open and generous already, this wine will continue to age well thanks to the lively line of acidity and the abundance of firm tannins.

CRITICAL ACCLAIM : 96 pts Australian Wine Companion, 92 pts Wine & Spirits, 91 pts International Wine Cellar, 90 pts The Wine Advocate

ABOUT d'ARENBERG :

One of the undisputed kings of Australian Shiraz and Rhone varietals, d'Arenberg has managed to turn individuality into an art form by doing a whole lot of little things differently. The original vineyards were established by Joseph Osborn in 1912 in the McLaren Vale region of South Australia. A century on, the estate has grown to 345 acres, and the mantle now rests with fourth-generation winemaker Chester Osborn. By maintaining a focus on traditional winemaking and nurturing their old-vine material, the Osborn clan has successfully established themselves as one of the country's leading producers of concentrated, characterful wines.
