

2011 CULLEN WINES
MANGAN VINEYARD
MALBEC PETIT VERDOT MERLOT

Review Summary

92 pts “A 66/18/16% blend, the most distinguished malbec-dominant blend in Australia; a vivid purple-crimson color, the wine not long into bottle after seven months in French oak. It is quite savory, and I would like to see the tannins soften a little, reassured by Vanya Cullen's drinking span of now-15 years.”
