TRIBUTE TO A MARGARET RIVER PIONEER:

Kevin Cullen was a passionate believer in Margaret River's potential to become one of the world's great regions for Chardonnay. He created the Cullen International Wine Tasting, now in its twenty fifth year, to provide a vehicle by which Margaret River's Chardonnays could be benchmarked against the great Chardonnays of the world. In order to recognize the contribution Kevin made in elevating Cullen's Chardonnay to the iconic status it holds today, Vanya named the Cullen Chardonnay after him from the 2006 vintage onwards.

WINEMAKING:

Overall vintage conditions were again excellent with higher than usual rainfall in early summer and warm, dry conditions leading up to harvest. The fruit produced by all Cullen vineyards was exceptional. The Chardonnay was hand-picked and the whole bunches were pressed in small basket presses and spontaneously fermented in French barriques, one third of which were new. The wine underwent partial malolactic fermentation prior to aging for a further nine months in barrel.

TASTING NOTES:

The 2013 Kevin John Chardonnay is a brilliant light gold color. Intense citrus, pear and tropical fruit aromas are enhanced by the near perfect use of oak. The palate is rich and complex, combining fresh pear, grapefruit, lime and papaya flavors and wonderfully balanced by citrusy acidity.
