

2006 YERINGBERG SHIRAZ

Review Summary

94 pts - Best of the Best by Variety “From a ‘young’ block of vines planted on a bony north-facing slope; has impeccable balance and mouthfeel, so much so the length of the palate and the aftertaste came as a surprise.”

91 pts “Vivid ruby. Intense, peppery aromas of blackberry, blueberry and dark cherry underpinned by spices and minerals. Lively dark berry flavors are given spine by zesty minerality and framed by fine-grained tannins. Floral notes arrive with air and carry through the long, gently sweet finish. I like this wine's clarity and energy.”
