

2009 SHOOFLY SHIRAZ

Review Summary

88 pts “Opaque ruby. Expressive aromas of red berries, black pepper and spices. Sweet, concentrated and creamy in texture, with liqueur-like flavors of raspberry, blackberry and fruitcake. Open-knit and very easy to drink, finishing with soft tannins, a faint mocha quality and a kiss of licorice.”

“ShooFly Shiraz 2009 is a fun wine to sip and we don't say that about many Oz wines these days. BlackBerry jam, peppery, black cherry and spicy dominate the nose and its fresh and supple palate. A bit warm and jammy, but with fine fruit and finesse all in a ready-to-drink style. Drink now with lamb stew or duck confit.”
