

2010 d'ARENBERG THE MONEY SPIDER Review Summary

89 pts “Light yellow-gold. Pungent aromas of dried orchard and pit fruits, with herb and honeycomb nuances adding complexity. Juicy and full but dry as well, offering lively pear and nectarine flavors and a bitter herb quality on the back half. Finishes with good firm grip and focus, showing an edgy lemon rind quality.”

88 pts “The 2010 The Money Spider Roussanne displays notes of straw, toast, lemon curd, pear tart and fennel seed. Medium-bodied, dry and crisp, it has a pleasant silkiness to the texture and a long finish.”
