### VINTAGE :

2013 was difficult in Bordeaux. A cold, wet winter persisted into spring and flowering was heavily delayed. July was hot which saw ripening catch up slightly until a devastating hail storm hit in early August. Overall one of the most challenging vintages in living memory, 2013 saw high labor costs and very low yields but excellent flavor concentration.

### WINEMAKING :

The grapes were hand-harvested in late September and early October. Some of the juice was bled off for the production of rosè and to concentrate the ratio of skins. Following a cold maceration and warm fermentation, 40% of the wine was aged in 2nd and 3rd year French oak barrels for 10 months where it underwent malolactic fermentation naturally.

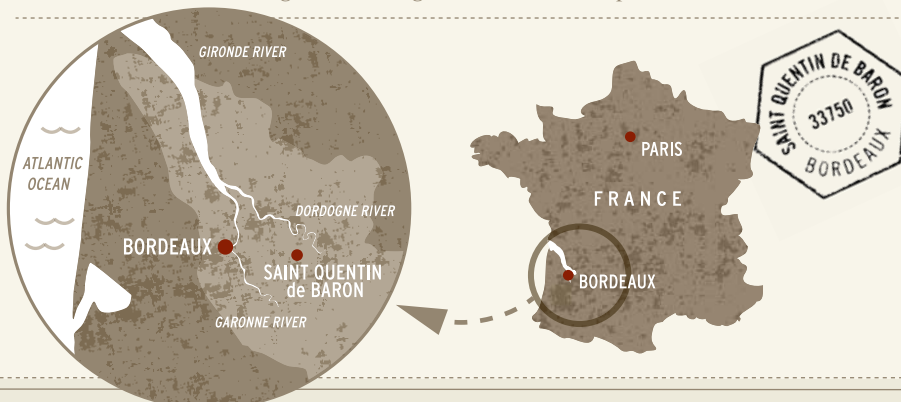

### TASTING NOTES :

Fresh and intense Cabernet aromas with hints of raspberry and black fruits that combine nicely with the ripe fruit roundness and elegance of the Merlot. On the palate it displays more sweet concentrated blackberry and blackcurrant flavors, with soft round tannins, a delicate structure and a pleasant fruity finish.
