

**2010 d'ARENBERG  
THE TWENTYEIGHT ROAD  
Review Summary**

**92 pts** “Deep garnet in color and tinged with purple, the 2010 Twenty Eight Road Mourvedre opens with notes of black plums, mulberries and dark chocolate with nuances of vegemite, licorice, fertile soil and chargrilled meat. Medium to full-bodied, this wine displays a good core of ripe, rich fruit complemented by exotic spice and earth flavors. Both the medium-firm level of grainy tannins and balanced acid lend good balance and length to the finish.”

**90 pts** “Dark ruby. Red berry preserves and cherry on the pungent nose. Offers spicy cherry and raspberry flavors lifted by tangy acidity and deepened by suggestions of licorice and bitter chocolate. Closes with gentle tannic grip and long, slightly peppery finish.”
