

2011 FRISK PRICKLY
GRENACHE ROSE
Review Summary

RESERVE CLASS CHAMPION Houston Livestock & Rodeo Wine Competition 2012

89 pts “This off-dry rosé, made from 100% Grenache grapes, shows a vibrant salmon color with glints of light orange. Strong fruit aromas of buttered strawberry, red cherry and banana lead to a juicy explosion of fresh fruit salad in the mouth. Well-crafted, with sweet fruits echoing at the end, this is a beautiful patio wine that will please both the White Zin crowd and more serious oenophiles alike. Find a sunset overlooking the ocean or a verdant valley and enjoy.”

“I smiled, and sipped the last few drops of Frisk Prickly Grenache rosé from my GoVino glass. A wash of red cherry and pomegranate flavors caressed my tongue, offering a subtle hint of sweetness that was balanced by a healthy dose of acidity. It was nearly 95 degrees outside, and aside from being on a tube in the middle of the river, I could think of little else that I would rather have to help me beat the heat.”
