

2011 SHOOFLY SHIRAZ

Review Summary

89 pts “Bright purple. Scents of black raspberry, blueberry and violet, along with subtle notes of cracked pepper and licorice. Lush, spicy and smooth in texture, offering sweet black and blue fruit compote flavors and a candied floral quality. Clings nicely on the gently tannic finish, with the blueberry and licorice notes repeating.”

87 pts “Firm in texture, with grippy tannins around a sappy core of black currant and licorice flavors. Best from 2014 through 2017.”
