

2011 KILIKANOON KILLERMAN'S RUN CABERNET

Review Summary

88 pts “Good colour; bright and pure red fruit bouquet, with a touch of bramble and spice; the palate is juicy and direct, fresh and evenly balanced; best enjoyed young.”

88 pts “Bright purple. Fresh cherry and dark berry aromas are deepened by notes of licorice and espresso. Round and fleshy, with smooth cherry-vanilla and blackberry flavors lifted by tangy acidity. Closes spicy and firm, with good tangy cut and lingering spiciness.”

88 pts “Medium deep garnet-purple in color, the 2011 Cabernet Sauvignon Killerman's Run has a nose of creme de cassis, ripe plums and baking spices with a whiff of anise. Medium-bodied and crisp with nice, pure fruit character, it has low to medium levels of chewy tannins and a long finish.”
