

2013 CHILENSIS RESERVA PINOT NOIR

WINEMAKER: Claudio Villouta
REGION: Maule Valley, Chile
VARIETALS: Pinot Noir
MATURATION: 50% aged for 8 months in French and American oak
ANALYSIS: 13.5% alc/vol | TA: 5.1 g/L | pH: 2.8

VINEYARD:

The Pinot Noir grapes come from thirteen and eight-year-old vines from Chilensis' 'Juan' and 'Huemul' blocks located on its estate San Rafael vineyard in the Maule Valley (137 miles south of Santiago and 15 miles from the Andes Mountains range). The valley is geographically diverse, with a Mediterranean climate. Summers are warm and dry with a significant day-night temperature variation. Winters are cold and rainy. Most of the vineyard's alluvial soils are loam to clay-loam in texture with a moderate fertility. Yield was just over three tons per acre.

WINEMAKING:

The grapes were hand-picked in late March and then immediately sorted at the winery. The fruit was gently de-stemmed to ensure only minimal breakage of the berries. The grapes were cold macerated for four days followed by a warm ferment for three weeks and gentle punch downs twice daily. 50% of the wine was then aged for eight months in older French and American oak barrels. Prior to bottling, the wine was naturally cold stabilized and earth-filtered.

TASTING NOTES:

The Reserva Pinot Noir offers tremendous aromatic intensity, accentuated by the 2013 season's cooler conditions. The nose exudes a fresh and lively red cherry character over a backdrop of red rose petals that lend elegance. The palate reveals sweet spice notes of cinnamon, refreshing acidity and very good persistence.
