

## 2012 CHILENSIS PINOT NOIR RESERVA

### Review Summary

**88 pts** “Ruby red thru to the rim. Aromas morello cherries, crushed bing cherries, boysenberries and crimini mushrooms with brown spices and vanilla. Opulent and silky on the palate with cherry-berry flavors leading, framed with a subtle mushroomy earthiness and light acidity. Opulent style is moderately chewy with a light, simple dry finish. A pleasing international style for drinking and enjoying. May have some challenges with foods with acidity as it leans on the fatter side without a nervy zippiness to balance with foods with an acidic component.”
