

2011 CHILCAS CARMÉNÈRE RESERVA

Review Summary

88 pts “Juicy, with good density to the chewy dark fruit and cherry compote flavors. The smoky finish lingers with rich dried meat notes.”

87 pts “Earthy, gritty berry aromas come with an animal/leather element and notes of tar and tire rubber. In the mouth, this is generous and ripe as it holds onto the variety’s patented herbal character. Dark flavors of coffee and char blend into heat on the finish.”
