

2012 d'ARENBERG THE OLIVE GROVE

Review Summary

90 pts “Light yellow-gold. Exotic, expansive aromas of ripe pit fruits, honey, iodine and chamomile, with a smoky nuance gaining strength with air. Sappy and focused on the palate, offering gently sweet pit and orchard fruit flavors that become firmer with air. At once ample and lively, showing a smooth blend of weight and liveness. Closes on a spicy note, with repeating smokiness and very good length.”
