

2011 d'ARENBERG THE VOCIFERATE DIPSOMANIAC

Review Summary

95 pts “Thin soil and a clay and limestone subsoil have produced an elegant shiraz with supple red and black fruits on the well balanced and long, medium-bodied, palate.”

James Halliday
Australian Wine Companion
2015

95 pts “Wow! This wine enters with a statement; it took me a little by surprise... but it settles and gives some amazing flavors.”

94 pts – Year’s Best Australian Shiraz

Wine & Spirits
2013

93 pts “Inky purple. A powerful bouquet of inky blackberry, blueberry and licorice is complicated by notes of dark chocolate and vanilla. Round, deeply pitched flavors of cherry-vanilla and dark berries are leavened by bright acidity and lifted by a spicy nuance. Finishes sweet and very long, with supple tannins and a hint of cola.”

Josh Raynolds
Stephen Tanzer’s International Wine Cellar
July/August 2013

92 pts “Great fruit lift with excellent spice and licorice expression, dark anise. Fragrant palate with a core of red fruit and spice, good length and weight. A bit of poise on the finish.”
