

**2012 PENLEY ESTATE  
HYLAND SHIRAZ**

**Review Summary**

**93 pts**

**Wine Showcase Magazine

**90 pts** “Medium to deep garnet-purple in color, the 2012 Hyland Shiraz has a profound nose of ripe black cherries, mulberries and black plums with suggestions of baking spices, dried mint and black pepper. Medium to full-bodied with tons of juicy black fruit and menthol-laced flavors, it has a medium level of rounded tannins and a refreshing acid backbone, finishing with great length.”

**88 pts** “Dark ruby. Ripe cherry and plum on the smoke- and spice-accented nose and palate. Plush, round and open-knit, showing very good depth and appealing sweetness to its cherry compote and blackberry flavors. Reveals a bit of warmth on the finish, which is firmed by dusty tannins and a touch of tangy acidity.”
