Chambers - Rutherglen, Victoria Stephen Chambers

Since establishment in 1858 in Victoria's famed Rutherglen region, winemaking duties at Chambers Rosewood have been handed down through five generations. These wines are a national treasure; expertly crafted from unctuous material matured in the family cellars for more than a century. Robert Parker: "Anyone who has ever tasted Chambers fortified Tokay or Muscat realizes the world's reference point for these wines begins and ends with Chambers."

Frisk Prickly - Alpine Valleys, Victoria

A team of young gun Australian winemakers and growers couldn't help but ponder the 'Riesling Revolution' as they worked their magic with some of the finest fruit in the downright cold-climate of Victoria's Alpine Valleys. Seeing friends slurp down their juice almost any time of the day (brunch-time drinkers were indebted to its low 8% alcohol), alone or with one of their damn hot Thai curries, piqued the thought that a few outside their little hamlet might be equally enamored by it.

Giant Steps - Yarra Valley, Victoria Phil Sexton and Steve Flamsteed

Giant Steps was established in 1998 in the cool-climate Yarra Valley region by wine industry veteran Phil Sexton. With the aim of creating single vineyard wines reflecting a unique sense of place, the 75 acre vineyard was hand-planted on the gravelly, north facing slopes of the Warramate Ranges. A decade later, the wines are renowned for offering length rather than breadth, finesse rather than largesse, and above all, fruit rather than artifact.

Innocent Bystander - Yarra Valley, Victoria Phil Sexton and Steve Flamsteed

Phil Sexton relocated to the gravelly slopes of Victoria's Yarra Valley in the late 1990's. Beyond the pristine fruit of the Yarra Valley, he discovered numerous Central Victorian vineyards that inspired the Innocent Bystander range. These wines have a personality all of their own: distinctly regional, expressive and definitely not your run of the mill varietal blends.

Jasper Hill - Heathcote, Victoria Ron Laughton

Jasper Hill, established in 1975 by the Laughton family, produces some of Australia's most compelling Shirazes. Situated on ancient Cambrian soils in Victoria's Heathcote region, the dry-farmed, biodynamic vineyards have been largely responsible for establishing the area as one of Australia's greatest red wine regions. A long-standing friendship and shared winemaking philosophy have seen the Laughtons partner with Michel Chapoutier, jointly crafting wines from Roussillon & Victoria.

Plantagenet Wines - Great Southern, Western Australia Cath Oates

An historic producer, Plantagenet Wines was the first winery to be established in the rugged Great Southern wine region. Named after the local Shire of Plantagenet, the winery was founded in 1968 when English immigrant Tony Smith planted vines on his Mount Barker property. These early wines impressed with their elegance and finesse, and Plantagenet has gone on to become a driving force in establishing this area as a distinctive, quality-focused Australian wine region.

Yeringberg - Yarra Valley, Victoria Tony Winspear

A jewel of a vineyard replanted in 1969 on the site of what was one of Australia's most famous vineyards of the nineteenth century. Older vintages of the cabernet have had critics such as Hugh Johnson draw comparisons to Chateau Lafite! The tradition continues with the grandson of the founder now producing perfectly poised wines from extremely low yielding vines.

Led by native Australian winemaker Wayne Donaldson, the Stickybeak team scoured the hills of Napa, trekked the valleys of Santa Rita, paddled the Russian River and shivered in the Sonoma Coast fog to find vineyards that have that wonderful 'this is it' character - where the grape and land go hand in hand together. Singing stridently of their origins, they deliver a wallop in the flavor department; not heavy and overdone, but simply long, lingering and wonderfully focused.
