

## 2009 CHILCAS 'RED ONE'

### Review Summary

**93 pts/GOLD MEDAL/Cellar Selection** “Ruby black color. Layered aromas of dried cherries and berries, cedar, leather, spice and eucalyptus with a supple, dryish medium body and a tangy, grilled apple, sandalwood incense and mineral finish. Serious Old World claret structure and finesse.”

**90 pts** “This red blend has characteristics of late-harvested grapes from a cool year. Aromas of prune and blueberry are cool and mellow but not lifted. The palate is smooth, with blackberry, baked plum and chocolate flavors.”

**90 pts** “Opaque ruby. Sexy, oak-spiced aromas of cherry and cassis, with notes of licorice and vanilla building with air. Lush and creamy on entry, offering sweet dark fruit compote flavors and gentle spiciness. Turns tighter on the finish, which lingers with very good smoky persistence, leaving cherry-vanilla and anise notes behind.”

**88 pts** “There's solid density to this ripe Merlot, which features juicy plum and black cherry notes woven with hints of grilled herb, spice and espresso crema. Supple, yet lightly earthy, too.”
