

2012 GREYWACKE PINOT GRIS

Review Summary

GREYWACKE

Kevin Judd

92 pts “Clean, refreshing aromas of nashi pear, quince, nectarine and citrus fruits are supported by hints of lemon curd, fresh cream and soft spice. Just off-dry with a lovely shape and flow across the palate. Pure fruit and pleasing clarity. The wine displays excellent tension between fruit, sugar and acidity, with a persistent finish.”

91 pts “Wonderfully balanced between intense flavors, a creamy texture, elegant nuances and a juicy finish. Peach blossom, nectarine, apricot and mandarin orange notes form the core, with touches of white flowers, spice and mineral.”
