

CHAPTER 24
THE FIRE
2012

93
POINTS

Year's Best Pinot Noir List - "Suave and mineral, this wine is blended from vineyards representing volcanic soils. It's more red-fruited than its counterparts, with scents of cherries, cedar, sassafras and forest floor. A tannic component to the texture girds the wine while serving as a springboard, keeping it high-toned and elegant. A long-ager, it will reward the patient."

Patrick Comiskey, Wine & Spirits Magazine
