

2011 CHILCAS CABERNET SAUVIGNON RESERVA

Review Summary

88 – BEST BUY “Dusty raspberry and plum aromas are spicy, dry and attractive, leading to a fresh palate with kick. Flavors of spiced plum, raspberry and red cherry are a touch briny, while the finish has length and a pleasing texture.”

87 pts “A taut red, with plenty of tobacco box notes to the roasted plum and dried cherry flavors. Cast iron accents show midpalate, driving a muscular finish of black olive and tarragon.”

87 pts – Very Good “This value priced Cabernet from Chile will not win you over with its bouquet. However, on the palate, this wine is medium bodied, balanced and easy to drink. The flavor profile is a pleasant gentle mineral infused black cherry with hints of cedar, black olive and a dash of black pepper. The finish is dry and its moderate tannins linger nicely. If you are looking for a nice everyday mushroom burger wine, give this Cab a whirl.”
