

2012 MOUNT MARY TRIOLET

Review Summary

96 pts – Best of Other White Blends 2015 “A blend of Sauvignon Blanc, Semillon and Muscadelle, barrel-fermented in used French oak, and likewise matured in used oak. Shines brightly in the context of the vintage, with vibrant lemony fruit, crisp acidity and a long, cleansing and satisfying finish. Will become more complex with age in bottle, but that can be bypassed without committing vinous sacrilege.”
