

2012 d'ARENBERG THE VOCIFERATE DIPSOMANIAC

Review Summary

96 pts “Notably rich and full, but retains shape and balance; blackberry and licorice fruit, persistent, dusty tannins, good length.”

James Halliday
Australian Wine Companion
2016

93+ pts “Inky purple. Black raspberry, Indian spices and smoky minerals on the powerful nose. Fleshy dark berry and anise flavors become chewier with air and pick up a sexy floral pastille quality that builds in the glass. The licorice and floral notes carry through a long, sweet finish, which is firmed by dusty, harmonious tannins. This burly but energetic shiraz benefits quite a bit from decanting.”
