

2012 CHILCAS  
SINGLE VINEYARD CABERNET SAUVIGNON  
**Review Summary**

**90 pts/BEST BUY** “Some Colchagua producers are moving toward a fresher style of reds, like this cabernet, its generous cassis and red cherry flavors pervaded by fresh acidity. The soft, welcoming texture adds its share of elegance.”

**90 pts** “Bright violet color. Aromas of ripe blackcurrant, licorice and cured tobacco, with a peppery note adding lift. Smooth and appealingly sweet on the palate, offering juicy dark fruit flavors that open up and put on weight with air. Shows a lively spicy quality on the gently tannic, persistent finish, with the dark fruit note emphatically echoing.”
