

## 2013 YERINGBERG VIOGNIER

### Review Summary

**94 pts** “Looks bright in the glass and is alive with scent. Ginger, apricot and hay-like aroma/flavor. Balanced and textural. Bursts with flavor through the finish. Makes deliciousness look easy; no mean feat for this variety.”

**James Halliday**  
Australian Wine Companion

**92 pts** “This full-bodied wine is rich without ever seeming overdone. Subtle smoke notes frame bold fruit—tangerine, pineapple and apricot—and gingery spice, while the finish is long, peppery and refreshing.”

**Joe Czerwinski**  
Wine Enthusiast  
April 2016

**91 pts** “Light yellow. Lively orchard and pit fruit aromas are complicated by ginger, white flowers and dusty minerals. Silky and open-knit, showing very good energy to its white peach and bitter pear skin flavors. Displays firm bite and zesty lift on the finish, with the floral and ginger notes repeating. In a fat-free, elegant style that's distinctly Rhone-like in character.”

**90 pts** “Lithe, focused and juicy, with pear and pineapple flavors, weaving spicy notes through the long and lively finish.”
