

2014 SHOOFLY SHIRAZ

Review Summary

90 pts “Brilliant ruby. Deeply pitched black and blue fruit and licorice aromas are lifted by a peppery nuance and a sexy floral quality. Broad and weighty on the palate, offering lush blueberry, cherry compote and spiced flavors given lift and spine by juicy acidity. Plays richness off of vivacity with a sure hand, finishing smooth and long, with just a hint of dusty tannins.”
