

# 2015 PLANTAGENET RIESLING

## Review Summary

PLANTAGENET  
WINES  
GREAT SOUTHERN  
WESTERN AUSTRALIA

**95 pts** “The grapes come from the Wyjup Vineyard, 40km south of Mount Barker and other ‘local’ vineyards. A classic wine, and ever reliable; it has a particular delicacy, yet has pure lime juice flavors, purity heightened by the natural acidity. Good now, even better in 5+ years. Great value.”
