

## 2012 d'ARENBERG THE BAMBOO SCRUB

### Review Summary

**90 pts** “From Blewitt Springs sub-region of McLaren Vale and a vineyard set on North Maslin and South Maslin Sands, even though it is relatively inland. Clove spice, some high toned resinous oak character, bright berry fruitiness, sniff of cinnamon, earthy savoriness. Good structure in palate, savory tannins shield just-ripe red berries, the wine feels tight and waxy, finishes firm then a touch lemony. The finish distracts a lot of good architecture and succulent red wine vibe.”
