

2014 YERINGBERG CHARDONNAY

Review Summary

95 pts “The 2014 Chardonnay has a complex, savory and spice laced nose with notes of baker’s yeast, cashews, marmite and allspice over a core of apricots, pink grapefruit and lemongrass. The palate has wonderful layers of toast, nut, stone fruit and spice flavors packed in an elegant medium-bodied package with a creamy texture and layers of mineral flavors lingering long into the finish. In a word, yum.”

Lisa Perrotti-Brown
Robert Parker’s The Wine Advocate
June 2016

91 pts “Intense, with tropical overtones of pineapple and passion fruit complementing the core of citrus and melon. Powerful acidity carries the flavors through the finish.”
