

2014 CULLEN WINES  
KEVIN JOHN CHARDONNAY  
**Review Summary**

**96 pts** “Hand-picked, whole bunch-pressed, wild-fermented in new French oak, matured for 8 months. The seemingly simple vinification has not resulted in a simple wine. There are multiple layers of fruit and oak ranging through white peach, nectarine, fig and then entering the world of wild fermentation in new oak path. The result is a complete wine of very high quality.”
