

## 2008 MOUNT MARY QUINTET

### Review Summary

**93+ pts** “Bright red. High-pitched aromas of redcurrant, cherry and spicecake, with a touch of tobacco and a strong mineral quality. Aeration brings up a darker cassis quality, which adds depth to the tangy red fruit and candied rose flavors. Very pure, concentrated and focused but on the youthfully tight side, finishing with excellent cut and lingering spiciness. This really should be left alone for at least another seven years. Two thousand eight was a very early harvest here, by the way, and this wine comes in at 12.8% alcohol.”

**90 pts** “Light color; very savory and slightly minty overtones to the red berry fruits; surprisingly light-bodied for the vintage.”

**90 pts** “Dried out right now but may come around. The astringent tannins are juicy in some ways, focusing a mid-weighted palate of red fruit scents. Gives me faith.”
