

## 2013 PENLEY ESTATE HYLAND SHIRAZ

### Review Summary

**91 pts/Editors' Choice** "Mouthfilling and round, this wine's savory notes of roasted meat, mocha and cracked pepper frame plummy fruit. Vanilla creeps in on the long, supple finish."

**90 pts** "Opaque ruby. Expansive, deeply pitched black and blue fruit aromas are complemented by licorice, pipe tobacco and mocha. Lush and seamless on the palate, with ripe blackcurrant and cherry liqueur flavors picking up a smoky quality on the back half. Distinctly rich but not burly, finishing sappy and long, with gentle tannins adding shape."

**89 pts** "Medium garnet/purple, the 2013 Hyland Coonawarra Shiraz opens to scents of minted blackberries and black cherries accented by a pepper and spice undercurrent. Medium to full-bodied, the palate is savory with an herbal lift, medium levels of chunky tannins and a good length."

**88 pts** "Partially fermented and aged with French oak staves or such like, the remainder oak-aged in various barrel types. The all-up impact of oak is substantial, and there's only just enough red fruit behind it."
