

2013 YERINGBERG PINOT NOIR

Review Summary

91 pts “This is a crisp, silky-textured Pinot Noir, built in a distinctly cool-climate style. Delicate floral, herb and cherry notes weave in hints of coffee-inflected oak on the lingering finish.”

90 pts “Pale ruby colored, the 2013 Pinot Noir has a restrained, earthy nose with notes of underbrush and moss, over a delicate cherry and red currants scented nose. Light to medium-bodied, the palate contributes a lovely perfumed character, wonderfully silky tannins and great persistence.”
