

## 2011 CHILCAS 'RED ONE'

### Review Summary

**91 pts** “Opaque ruby. Sexy, oak-accented cherry and dark berry scents pick up floral and tobacco nuances with air. Fleshy and expansive on the palate, offering sweet cherry and blackcurrant flavors and a suggestion of mint. Quite lithe for its power, finishing with strong punch, supple tannins and lingering minerality.”

**91 pts** “Really floral with lavender, aniseed and some hints of melon. This is a delicate red with lots of dried cherry character. Savory too, with seductive texture. An elegant finish.”

“Starts silky, gets minty, finishes leathery, and entertains throughout the entire process. B+.”
