

OVEJA NEGRA
SINGLE VINEYARD
CARIGNAN
2013

POINTS

BEST BUY - "Chilean Carignan used to be charged with ripe fruit, oak and rustic tannins, but that's changing quickly, as this wine demonstrates. With a focus on fresh fruit and bright acidity, this brings red cherry and flower notes. The fruit is intense, but there's nothing rustic about it – this is just refreshing and vibrant, a wine to drink by the pool."
