

2015 KILIKANOON MORT'S BLOCK RIESLING

Review Summary

90 pts “Lime sherbet and wet-stone aromas are classic for the variety and region. This is a light-to medium-bodied wine, dry, with high acidity that drives it through a long, zesty finish. Drink it now with raw oysters or ceviche, or cellar it another five years to develop greater weight and complexity.”

90 pts “More open-knit than the Mort’s Reserve, the 2015 Riesling Mort’s Block delivers white peach, lime blossom and apple notes plus a hint of coriander seed. The dry, light-bodied palate is relatively approachable with plenty of zesty flavor on offer and good length.”
