TRIBUTE TO A MARGARET RIVER PIONEER:

Kevin Cullen was a passionate believer in Margaret River's potential to become one of the world's great regions for Chardonnay. He created the Cullen International Wine Tasting, now in its twenty fifth year, to provide a vehicle by which Margaret River's Chardonnays could be benchmarked against the great Chardonnays of the world. In order to recognize the contribution Kevin made in elevating Cullen's Chardonnay to the iconic status it holds today, Vanya named the Cullen Chardonnay after him from the 2006 vintage onwards.

WINEMAKING:

Very low yields with no rain in January, February and until the end of harvest in March. One big difference was the Marri blossom which did not flower until after the harvest causing bird pressure. This is a wine of great purity and refined elegance. The Chardonnay grapes were hand harvested on fruit and flower days from 39 year old vines. They were then whole bunch pressed and fermented with wild yeast in barriques. It underwent natural malolactic fermentation prior to receiving five months of oak maturation

TASTING NOTES:

Perfumed with citrus, pear and stone fruit aromas which are enhanced by the barrel ageing. The palate is multi-layered and complex, combining Bosc pear, nectarines and citrus notes and is wonderfully balanced by the savory acidity. The wine can be cellared with confidence for at least 10 years

CRITICAL ACCLAIM: Not yet reviewed. 2014 vintage: **96 pts** Australian Wine Companion, **93 pts** Wine Spectator
