

2013 MOUNT MARY QUINTET

Review Summary

96 pts “Bright, clear color; the fruit-filled, fragrant bouquet is followed by a classic Mount Mary palate: medium-bodied, and with a certain transparency akin to an orchestra with different instruments, the very essence thereof; near the flute are red fruits, the violin the black fruits, the bassoon tannins – all very different, but all in harmony, the sum of the parts greater than the whole.”

95 pts/THE TOP 100 AUSTRALIAN WINES OF 2016 – #91 “A superb example of old vines driving a classy brand of power and elegance. This has blueberries, cassis and redder berry fruits in abundance on the nose and palate, and it’s all fused with modern, spicy and savory oak influence. The textural impression is plush, really silky and beautifully balanced.”

94 pts “This wine’s elegant structure lends it the kind of sophistication that’s rare in Bordeaux blends from outside their home region. Five Bordelais varieties make up this blend: cabernet sauvignon (49 percent), merlot (26 percent), cabernet franc (15 percent), petit verdot and malbec. It shows delicate red fruit and cedar scents, with complexity in the grape-skin tannins, which yield spice and a fine form of richness. One of the most collectible reds in Australia, this is built to develop for years in the cellar.”

“Opulent, vibrant and highly perfumed with black fruit, cherry and violet aromas, leading to a palate of great balance that will improve over the coming years.”
