

2015 KILIKANNOON KILLERMAN'S RUN CABERNET

Review Summary

89 pts “The background info is explicit: matured for 12 months in French oak (15% new). The color is bright and full, and the mix of blackcurrant with savory black olive and herb flavors is wholly varietal. All this for \$20.”

89 pts “Opens with a juicy mouthful of cherry and raspberry flavors, giving way to more substantial bass notes of spice, tobacco, fresh herb and licorice. Shows plenty of harmony on the finish.”

89 pts “Seriously ripe cabernet fruit with cassis and blackcurrant dominating more subtle leafy nuances and gently toasty oak. The structure is right on the mark. Cabernet flows wide and tannins gather at the finish. Riper style here.”
