

2015 SHOOFLY  
PINOT NOIR  
  
Review Summary

**89 pts – Best Buy** “An impressive value, this is a rather full and weighty Pinot that stays supple through the finish. Dusty earth and cherry notes marry nicely on the nose, followed by flavors reminiscent of cola, cherry and raspberry.”

**89 pts** “From the King and Yarra Valleys. Pale mid-red; cherry and spice, with a touch of mint and earthy complexity; rounded and well balanced, the palate is silky and generous.”

**88 pts – Best Buy** “A light and frisky pinot noir, this wine’s bright fruit has some herbal edges. It’s simple and delicious, a clean, light red for roast fish with mushrooms.”

**87 pts** “Firm, with an earthy edge and forest floor details. Peppery accents complement the intense licorice, plum and black cherry flavors.”
