

## 2012 d'ARENBERG THE STICKS AND STONES

### Review Summary

**91 pts** “Deep ruby. Deep-pitched dark berry, licorice and floral aromas, joined by cracked pepper and cola nuances in the background. Sappy and focused on the palate, offering bitter cherry and blueberry flavors that are given backbone and lift by a core of juicy acidity. A smoky nuance appears on a long, dark-fruit-driven finish shaped by gently chewy, harmonious tannins.”
